

- MANAGEMENT BOARD -
No. 517-2/I-09.
Sarajevo, 24 September 2009.

The Management Board of the Institute for the Research of Crimes Against Humanity and International Law of the Sarajevo University, with its main office at 4 Halida Nazečića Street in Sarajevo, Bosnia and Herzegovina, represented by Prof. Dr. Smail Čekić, Director, has on 24 September 2009 rendered

D E C I S I O N
on the establishment of the Section for the United States of America

Article 1

Pursuant to Article 3 of the Law on the Institute for the Research of Crimes Against Humanity and International Law of the Sarajevo University (hereinafter referred to as Institute), “Official Gazette of the Republic of Bosnia and Herzegovina”, 13/94, the Section for the U.S.A. (hereinafter referred to as Section) shall hereby been established, as an organizational unit of the Institute, with the task to, in accordance with the activity of the Institute, prepare, organize, and execute scientific and research and educational projects and programs of the scientific interest and relevance, particularly to:

- Participate in the preparation and execution of the projects which study Holocaust, genocide and other crimes against humanity and international law;
- Prepare, initiate, propose, organize, and guide the scientific cooperation of the Institute (Section for the U.S.A.) with relevant scientific and other institutions and scholars from the U.S.A.;
- Participate in the preparation of the educational programs for the scholars of Holocaust and genocide, and propose the engagement of appropriate competent scholars for the execution of those programs;

- detect, identify, and define educational needs for occasional lectures, counseling, panels, round tables, conferences, and other educational forms intended to Bosnia and Herzegovina Diaspora and scientific and professional public of the U.S.A.;
- plan, prepare, and organize the execution by type of predominantly empirical scientific studies;
- takes active part in publishing activities of the Institute, in a way to translate the results of the Institute studies from the Bosnia n to English language and vice versa;
- identify the financial resources, and take part in securing the material and technical and other conditions required for the successful execution of the scientific studies;
- follow the publishing activities in the territory of the U.S.A. and scientific and professional literature of interest and relevance for the operation of the Institute;
- collect, sort, classify, and keep the relevant documents of the interest for planned operation of the Institute;
- take part and execute tasks entrusted by the Institute.

Article 2

Section shall be an organizational unit of the Institute for the Research of Crimes Against Humanity and International Law of the Sarajevo University.

Article 3

The program and activities of the Section shall be funded mainly from its own resources, donations, or sponsorships, as well as resources obtained through direct engagement in the labor market.

Article 4

The Office of the Section shall be in Chicago, Illinois, the U.S.A.

Article 5

The Institute Director shall nominate the Section Head, and the Institute Management Board shall verify the appointment.

Article 6

The Section Head shall be accountable to the Institute Director, and the appointment and office shall be linked with the office of the Director of the Institute for the Research of Crime Against Humanity and International Law of the Sarajevo University.

Article 7

The Section Head shall have to meet the following requirements: at least Master's degree in social sciences and relevant experience in same or similar tasks, including appropriate organizational skills.

Article 8.
